On behalf of Carolina Water Service, I would respectfully request that a hearing officer be appointed in this docket as soon as is practicable. In addition, counsel for ORS and I are working to suggest a schedule of filing deadlines. I would anticipate that the counsel for the ORS and I might have suggested filing deadlines for you by close of business Friday. With regard to the schedule, the Applicant requests that if the Commission determines to schedule night hearings in the matter, consideration be given to establishing a schedule that permits the public a meaningful opportunity to be heard and also permits the parties a meaningful opportunity to address any matters arising at the night hearing in their pre-filed testimony.

If counsel or you have questions, please feel free to contact me.
